Under section 14 of the Official Information Act, the Whanganui District Health Board (WDHB) received a partial transfer of your request from the Ministry of Health on 18 March 2020. You requested the following information in relation to NASC manual and HCSS (with the questions transferred from the Ministry of Health to the DHBs highlighted in bold):

1. "The NASC manual for older persons health
4. The number of over 65's receiving long term HCSS in each region (please record personal care and household management separately)
 - a. 1-10 hours
 - b. 11 – 20 hours
 - c. 21 - 30 hours
 - d. 31 – 40 hours
 - e. 40+ hours

Our response

1. "The NASC manual for older persons health

AccessAbility have responded to this request stating "I do not believe there is a document called the NASC HOP manual – there is a generic NASC Manager's manual, but it is not something that we share outside of NASC and Ministry"
